2009-2016	Program Staff, Boy's & Girl's Club of Greater La Crosse, La Crosse, WI

PROFESSIONAL ACTIVITIES:

2026	Fellow. Indigenous Data Sovereignty and Ethics Training Fellowship Program.
2025—present	Statistical Consultant. Dementia in Indigenous Populations for CA Medicaid Services.
2025—present	Peer Reviewer. *Journal for Statistics and Data Science Education*. Equity, Inclusion, and Diversity focus. American Statistical Association.
2025	*WNAR Expanding Opportunities Workshop*-Navigating Graduate School for Students from Underrepresented Panel. **Invited Panel Speaker.**
2023—present	Peer Reviewer. *JAMA Network Open*. Methodology and Analysis focus.
2023—present	Statistical Consultant. For Josh Bennett Dissertation at Liberty University.
2022—present	Indigenous Alzheimer's Disease and Related Dementia Data Sovereignty Advisory Group.

2021—present	Member, *Grillen Research Lab*, University of California-Irvine.
2017—2024	Member, Seminar Organizer, *Statistical Methodology and Applied Research Talks,* University of California-Irvine
Summer 2023	Seminar Organizer, *Statistical Methodology and Applied Research Talks,* University of California-Irvine
Spring 2023	Seminar Organizer, *Statistical Methodology and Applied Research Talks,* University of California-Irvine
Winter 2021	Seminar Organizer, *Statistical Methodology and Applied Research Talks,* University of California-Irvine
2018—2023	Coach, Nightlife, University of California-Irvine Club Sports Ultimate Frisbee.
2017—2022	Captain, Nightlife, University of California-Irvine Club Sports Ultimate Frisbee.
Winter 2021	Seminar Organizer, University of California-Irvine Statistical Methodologies and Research Talks.
2017—2018	Member, University of California-Irvine Bayesian Interest Group.
2016—2018	Member, University of California-Irvine Space-Time Modeling Group.
2014—2016	McNair Scholar, Saint Norbert College.
2013—2016	Member, Pi Mu Epsilon (Honorary Math Society), Saint Norbert College Chapter.
2013—2016	Multicultural Student Representative, Committee Equity, Diversity, and Inclusion, Saint Norbert College.
2013—2014	President, Sigma Nu Delta (Math Club), Saint Norbert College Chapter.

2012—2016	Member, Sigma Nu Delta (Math Club), Saint Norbert College Chapter.
2012—2013	Social Chair, Sigma Nu Delta (Math Club), Saint Norbert College Chapter.
2012	Student Speaker, Native American "Get Out to Vote" Rally.
2010—2012	President, La Crosse Juggling Club.

STUDENT MENTORING:

2025—Current	Tia Petratos, Undergraduate Researcher, UW Madison, Personal Research Projects.
2025—Current	Yunju Ha, Postbaccalaureate Researcher, Own Time, Personal Research Projects.
2025—Current	Carina Campbell, Undergraduate Researcher, UW Madison, Personal Research Projects.
2025	*WNAR Expanding Opportunities Workshop-1:1 Mentoring.* **Invited Mentor.**
Summer 2025	Carina Campbell, Undergraduate Research, Summer Education Research Program, UW-Madison.
Summer 2025	Jake Sayler, Medical Student, Summer Independent Study Course, Depression in Indigenous Elders Literature Review.
2024—2025	Yunju Ha, Undergraduate Senior Thesis, Personal Research Projects.

HONORS & AWARDS:

2024	Top 5% Peer Reviewer for *JAMA Network Open*
2024	Trainee Travel Funding, International Indigenous Data Research Network Annual Conference
2024	Biology of Aging T32 Training Grant Fellowship (T32 AG000213).
2024	2024 WNAR Indigenous Student Travel Awardee
2021—2023	National Institute of Aging Diversity Supplement Recipient (R01 AG061189-S1).
2017—2022	National Science Foundation Graduate Research Fellowship Program Recipient, University of California-Irvine (DGE-1321846).
2016—2022	Eugene Cota-Robles Fellowship Recipient, University of California-Irvine.
2016	Diversity Recruitment Fellowship Recipient, University of California-Irvine.

2013 Pi Mu Epsilon Inductee (Math Honor Society), Saint Norbert College.
2013—2016 Pi Mu Epsilon Nirschl Scholarship Award Recipient, Saint Norbert College.
2012—2016 Academic Dean's List, Saint Norbert College.
2012—2016 Presidential Scholarship Award Recipient, Saint Norbert College.
2012 National Residence Hall Honorary First Year Student of the Month.

PRESENTATIONS:

2025 *Tales of the Academic*, Office of Multicultural Affairs Dinner Series. University of Wisconsin-Madison Office of Multicultural Affairs. **Invited Speaker**.

2025 *The Relationship between Biological Aging and Dementia Assessment Performance in Indigenous Participants of the Wisconsin Alzheimer's Disease Research Center*, International Indigenous Dementia Research Network Annual Conference. Memory Keepers Medical Discovery Team. Paper Presentation.

2025 *Statistical Methodologies for Small Samples and Cognitive Health Data: A Case Study Exploring Social Connectedness and Cognitive Resilience among Indigenous Elders*, International Indigenous Dementia Research Network Annual Conference. Memory Keepers Medical Discovery Team. Poster presentation.

2025 *Reevaluating Dementia Risk Factors in Indigenous Cohorts: A Population-Specific Analysis,* International Indigenous Dementia Research Network Annual Conference. Memory Keepers Medical Discovery Team. Student Poster Presentation.

2025 *Resilient Pathways: Translating Indigenous Data into Health Equity*, University of Wisconsin-Madison Department of Population Health Sciences Seminar Series. **Invited Presentation**.

2025 *Resilient Pathways: Translating Indigenous Data into Health Equity*, Memory Keepers Medical Discovery Team, University of Minnesota-Duluth. **Invited Presentation**.

2025 *Predicting Retention of AI/AN Research Participants in the NACC Dataset*, Alzheimer's Association International Conference. Poster presentation.

2025 *Reevaluating Dementia Risk Factors in Indigenous Cohorts: A Population-Specific Analysis*, University of Wisconsin-Madison Summer Education Research Program Poster Session. Student Poster Presentation.

2025 *Considerations in Statistical Ethics and Indigenous Data Sovereignty*. University of Wisconsin-Madison Solution-focused Stats Group. **Invited Talk.**

2025 *Exploring Time: How Does the Choice of Time Scale Impact Results?* University of Wisconsin-Madison T32 Biology of Aging and Aging-related Disease Training Grant Seminar. Presenter.

2024 *An Investigation of the Choice of Time Scale for Studies with Time-toDementia-related Outcomes.* School of Medicine and Public Health (SMPH) Collaborate. Poster presentation.

2024 *An Investigation of the Choice of Time Scale for Studies with Time-toDementia-related Outcomes.* International Indigenous Dementia Research Network Annual Conference. Memory Keepers Medical Discovery Team. Poster presentation.

2024 *An Investigation of the Choice of Time Scale for Studies with Time-toDementia-related Outcomes.* Alzheimer's Association International Conference Advancements–Modernizing Diagnosis 2024. Poster presentation.

2024 *Accounting for System Migration Bias in EHR-Based Studies*. 2024 WNAR/IMS/Graybill Annual Meeting. **Invited Session Speaker.**

2023 *Time-Dependent Receiver Operating Characteristic Curves for Recurrent Events*. International Indigenous Dementia Research Network Annual Conference. Memory Keepers Medical Discovery Team. Speed Round presentation.

2023 *Time-Dependent Receiver Operating Characteristic Curves for Recurrent Events*. International Indigenous Dementia Research Network Annual Conference. Memory Keepers Medical Discovery Team. Poster presentation.

2023 *Recurrent Event AUC Estimator*. SACNAS National Diversity in STEM Conference. Society for the Advancement of Chicanos/Hispanics and Native Americans in Science. Poster presentation.

2023 *Indigenous ADRD Data Sovereignty Advisory Group Led Workshop*. 2023 Fall ADRC Meeting. Presenter.

2023 *Survival Models in Electronic Health Records Data in the Presence of System Migration,* 2023 NIH Diversity Supplement Professional Development and Networking Workshop. Poster presentation.

2023 *Indigenous Dementia Data Sovereignty: Introducing Initiatives on Dementia Data and Tribal Nations*. NCAI's 2023 Mid Year Convention. Presenter.

2023 *Indigenous ADRD Data Sovereignty Best Practices Meeting*. Indigenous ADRD Data Sovereignty Advisory Group. 2023 Spring ADRC Meeting. Presenter.

2023 *Statistical Ethics in DEI Research: Data Sovereignty and Open Data*, Statistical Methods and Research Talks. University of California, Irvine.

2023 *Ethics as a Professional Statistician,* Statistical Methods and Research Talks. University of California, Irvine.

2023 *Considerations for Working with Indigenous Patients and Data,* University of Wisconsin Madison Native American Center for Health Professions Distinguished Lecture Series. **Invited Speaker**.

2022 *Survival Models in Electronic Health Records Data in the Presence of System Migration,* SACNAS National Diversity in STEM Conference. Poster presentation.

2022 *Survival Models in Electronic Health Records Data in the Presence of System Migration,* Orange County Biostatistics Symposium. Poster presentation.

2022 *Retention of American Indian and Alaskan Native Patients in Alzheimer's Disease Research*, Alzheimer's Association International Conference. Poster presentation.

2022 *The alternative hypothesis: Underrepresented (bio)statisticians share graduate school experiences*, Western North American Region International of the International Biometric Society. Panel presentation.

2022 *Retention of American Indian and Alaska Native Patients in Alzheimer's Disease Research*, UCI Research and Education in Memory Impairments and Neurological Disorders Symposium. Poster presentation.

2016 *Regression Models for Analyzing fMRI Data*, University of California, Irvine, Competitive Edge Program.

2014 *Racial Segregation in Public Schools*, McNair Scholar Presentation Conference, Saint Norbert College.
